

# Dominion Recycling and Transfer, LLC

Dominion Recycling and Transfer, LLC located at 9115 Industry Dr., Manassas Park, VA 20111 intends to construct and operate a solid waste transfer station on their property.

The transfer station will operate in a 12,000 square feet fully enclosed building and will process approximately 2000 tons/week.

Garbage, refuse, yard waste, construction and demolition waste

Residential households, commercial and industrial generators within the City of Manassas Park

Waste generated and collected from outside of the City of Manassas Park but from within the Commonwealth of Virginia

# Dominion Recycling and Transfer, LLC

The facility will be designed, constructed and operated in compliance with the VA Solid Waste Management Regulations for Solid Waste Transfer Stations.

A virtual public meeting on Wednesday July 8 at 7pm. To attend meeting click on the following link

<https://www.patriotdisposalservices.com/dominion-recycling-meeting>

Purpose of the meeting: acquaint the public with the technical aspects of the facility, how the VA DEQ Solid Waste Regulations will be met, identify issues of concern, facilitate communication and establish a dialogue between the representatives of Dominion Recycling and Transfer, LLC and persons who may be affected by the facility.

# Dominion Recycling and Transfer, LLC

A 30 day period to comment on the technical and regulatory aspects of the proposed facility will begin on June 19, 2020 and end on July 19, 2020.

All comments and questions should be sent to:

Mr. Gregg Walbridge
